MY REST DAY

My name is Victor. I am a pupil of the seventh form. I live with my parents and a little sister in a small town not far from Kyiv. My parents are workers and my sister is a pupil of the second form.

On Sunday all the **members**¹ of our family **are free**². My parents do not go to their work and my sister and I do not go to school.

We usually get up at 8 o'clock in the morning, have our breakfast and work about the house. My father usually goes shopping or works in our garden. My mother washes up and prepares dinner. My sister and I clean our flat.

Then we usually go for a walk or to the cinema. Sometimes we go to the zoo to see the animals.

In winter we often go to the skating-rink to ski and skate. My sister can't ski and skate. That's why she sledges, plays snowballs or makes a snowman.

In the evening our parents usually watch TV or visit their friends. My sister and I often watch TV too. But when the TV-programme isn't very interesting we play chess or read books.

We don't go to bed late on Sundays because we must get up early next day.

¹ **members** — члени
² **are free** — вільні
