My city

Hi! I'm Monica and I'm 19 years old. I live in the capital of England, London and I love this town. There are many places to visit, so I never get bored. I love listening to music, so I often attend concerts and go to places with live music. Next to my house is a cinema, which I visit on Saturday evenings every weekend with my friends. Bus station and tram station are also in the nearing, so I can easily get to school. In London there are a lot of restaurants and cafés, so you'll never be hungry here. I really like shopping so I often buy clothes in very big shopping malls.

Living in a big city also has a few drawbacks. Everywhere there are a lot of people, especially in a subway. There are a lot of traffics and air is very polluted because of car fumes.

There are also a lot of attractions for tourists, for example, build in the 19th century Tower Bridge, Big Ben and the Madame Tussauds museum with wax figures of famous people.

I encourage you to visit London, so that you can fall in love with this town, too!
